Project Works | TVC vivoX300 Award-winning work | Co-Planning & Shooting

Curated real stories shared by netizens on social media, extracted creative concepts related to "love," developed narrative threads, and produced the vivo X300 TVC centered on the theme of love.

"Life's award-winning moments are not just found on the podium; they are hidden in every everyday moment wrapped in love, reflected on the lovely faces of those living earnestly."

Project Works | The 30th Beijing International College Student Film Festival Coordinating Cinematography and Photography

Participated in the opening and "Youth Night" ceremonies, managing red carpet coverage, actor interviews, and event photo/video recording. Authored press releases and independently liaised with media, achieving coverage across 100+ mainstream media outlets.

Documentary Film | Documentary "Off-Track in a Vast Ocean"

Director, Cinematographer, Editor

Documents a real-life journey of self-discovery in the modern era. The protagonist, Ms. Tong, grew up bridging Eastern and Western cultures, navigating finance, engineering, and international organizations, only to be laid off at her career peak. She took a gap year to study culinary arts and subsequently gained online fame under a fresh identity.

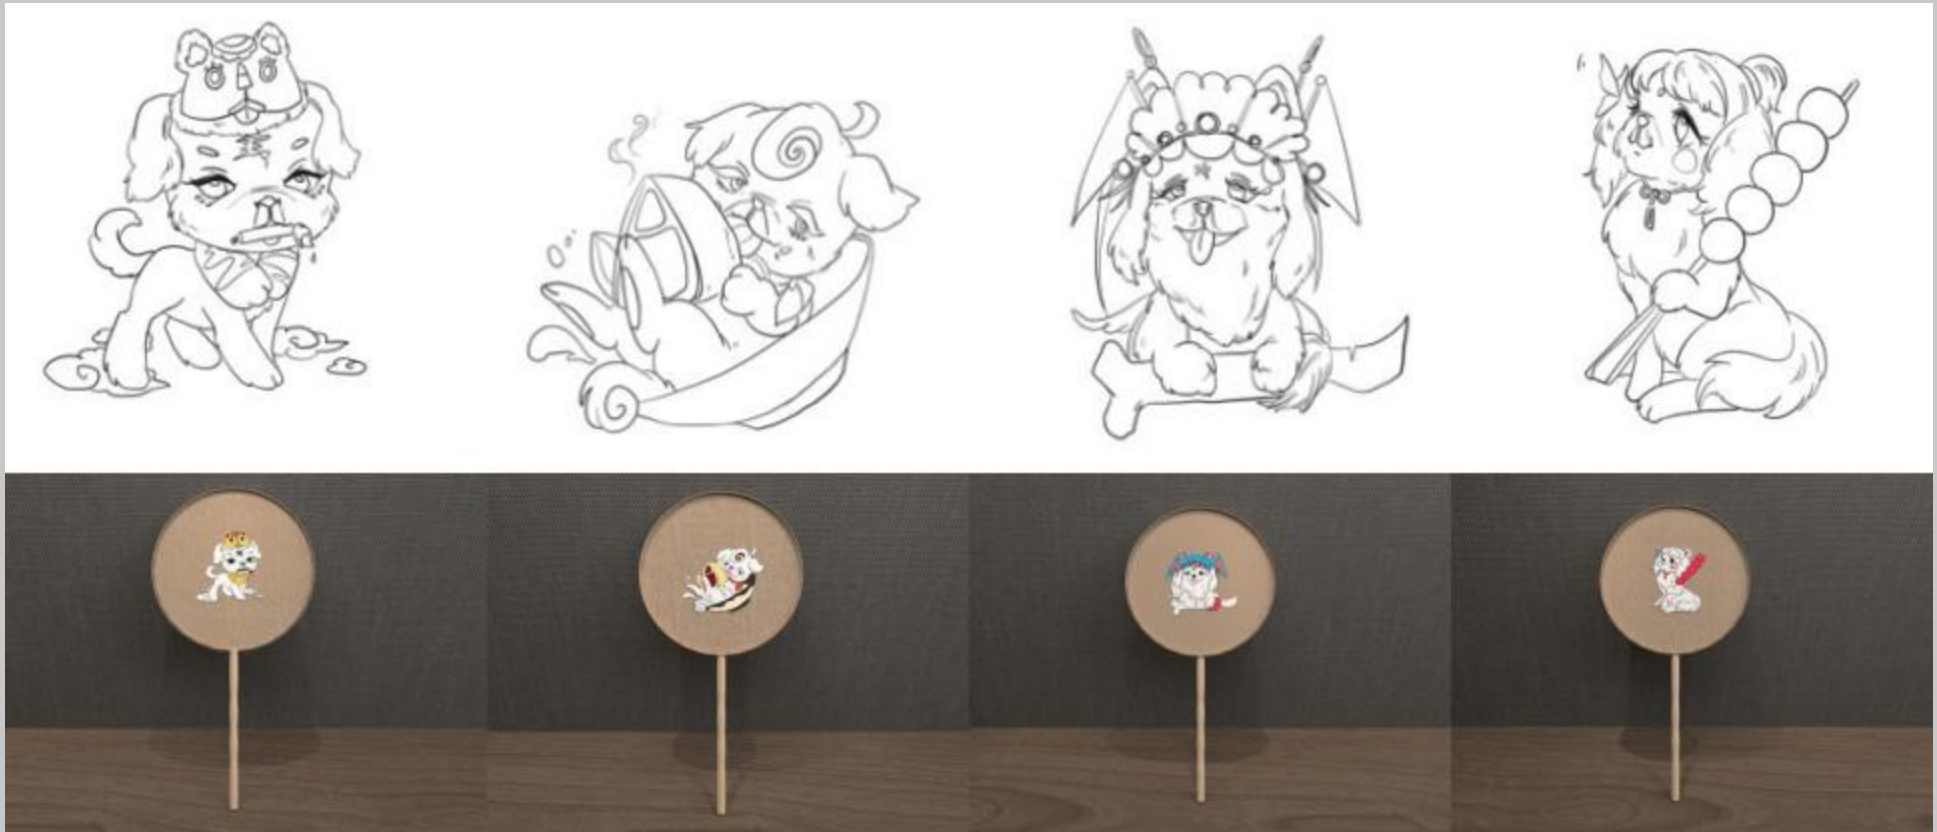

Explores how modern individuals seek inner stability amidst anxiety and uncertainty, tracing the roots of the protagonist's courage to find her own course when external anchors fail.

Cultural and Creative Works | "Jing" IP + Round Fan Products | Planning and Design

Jingyun Jingbais a characterIP blending the Pekingese dog with classic Beijing folk elements(Candied Hawthorns,Lvdagunr pastry, Peking Opera, Tiger-head caps). Playing on the homophone of Pekingese ("Jingba", "Astonishing Overlord"),it reimagines the traditional dog breed as a cartoonicon suitable for WeChat stickers,phone cases, and blind boxes.
